Job Explorer Database

Job Explorer contains information on over 880 different job titles and has over 8,000 pictures to help you explore different careers. Do the quiz or choose your favourite subjects or interests and let Job Explorer suggest lots of job titles to explore.

How can I access it?

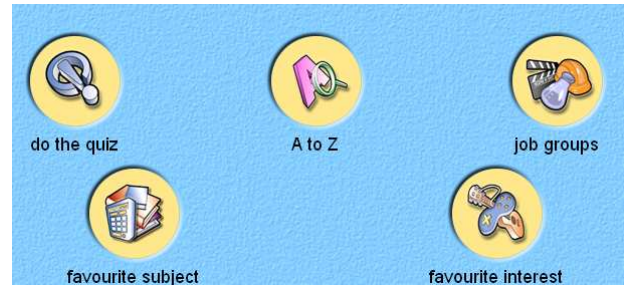

- In Internet Explorer, type in the address below:

<http://library.hull-college.ac.uk/cid.htm>

Searching for Careers information

There are 5 ways to search for information:

- **Search by A-Z**
(Useful if you know exactly which job you are looking for)
- **Search by Job Group**
(Useful for searching for jobs by the type of work, e.g. engineering)
- **Search by favourite subject**
(school subjects such as maths, science)
- **Search by favourite interest**
(General areas such as travel, talking)

- **Do the quiz**
(20 questions about your likes and dislikes)

For each job there is a variety of information, including qualifications needed, entry routes, average pay and even pictures of the profession in action.

- Use the right mouse button to print off information.
