

### What is the Education Image Gallery?

The Education Image Gallery provides instant access to a unique and exciting collection from Digital Images for Education.

A large variety of images are included, covering key events and multiple subject areas including history, entertainment, sport, science, fashion, politics, music, conflict, film, art, leisure and women's studies. With the curriculum-related images selected by leading academics you can illustrate key times, places, people and events. As the images are copyright-cleared, they are free to download for (appropriately credited) use in learning, teaching and research.
