

What is JISC MediaHub?

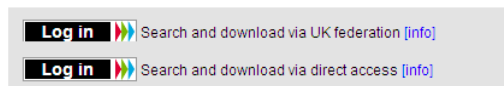

The JISC MediaHub gives access to video, image and sound files. As the images are copyright-cleared, they are free to download for use in learning, teaching and research.

1. How can I access it?

- In Internet Explorer, type in the address below:

<http://jiscmediahub.ac.uk>

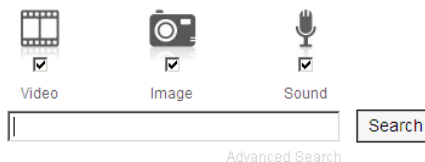

- If you are using a college PC, click on the Log in button for 'direct access'

- To use this from home, click on the Log in button for 'UK federation', choose 'Hull College Group' and log in using your College Network username and password

2. Standard Search

- Type the words you want to search for in the box at the top of the page.
- Click on the Search button

3. To View your results

- Your search results are shown as a set of thumbnail images with a short description
- Options on the left-hand side of the page let you filter your results by media type, subject, collection and date
- Hover your mouse over the thumbnail you are interested in, then click on 'View Full Record' for more details
- If the resource is from an external website, you will be directed to that site. If the resource belongs to MediaHub, a Download button will be available on the left-hand side of the page. If the resource is a sound or video file, you will also have the option to play the file
