

What is UK Newsstand?

UK Newsstand is an online service developed to provide national and regional news, combining the most popular British newspaper titles in one database.

1. How can I access it?

- In Internet Explorer, type in the address below:
<http://search.proquest.com/uknews>

If you are on a non-College computer:

- Click on 'Login via your library or institution'
- Select 'United Kingdom (UK Federation)' as your region
- Select 'Hull College Group' as your organisation
- Type in your College network username and password

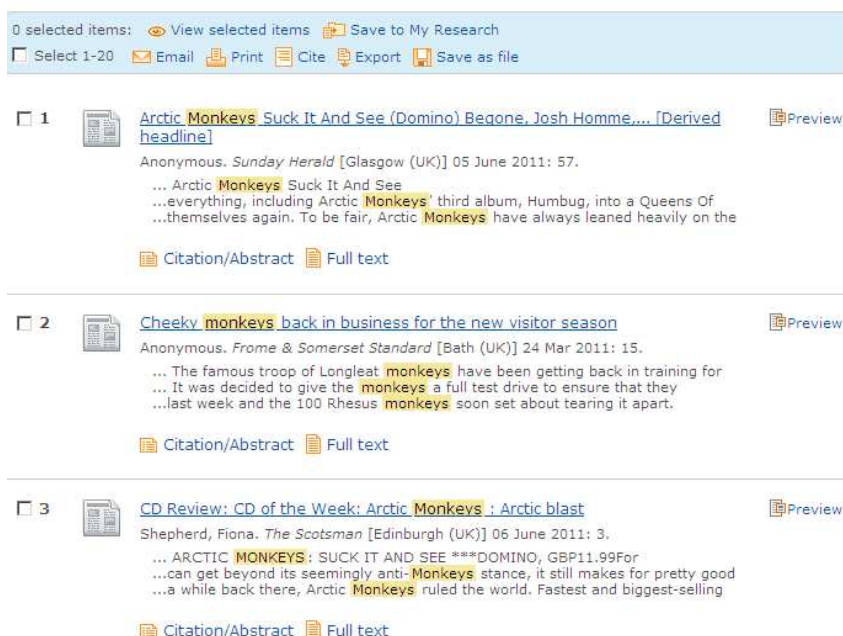

2. Basic Search

- Type the words you want to search for in the box near the top of the page.
- Press your **Enter** key.

3. To View your results

- Your search results are listed in order of relevance:

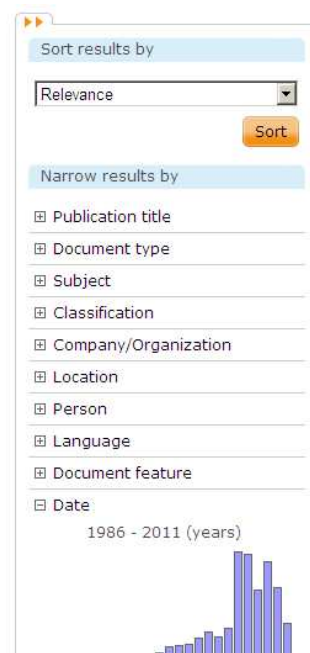

0 selected items: [View selected items](#) [Save to My Research](#)
